INTRODUCING LISTERINE® READY! TABS™

WHAT IS IT?

A solid tablet that once chewed, turns into a liquid that cleans your mouth and freshens breath anytime, anywhere.

WAIT, WHAT?

(Deep breath.) Technically it's a rectangular-shaped, bilayer-compressed tablet™ that once chewed, creates just enough liquid for you to swish around your mouth to get a whole-mouth clean feeling. So simply put, a new way to clean your mouth and get fresh breath on the go.

HOW DO I USE IT?

		1. CHEW TO ACTIVATE
		2. SWISH TO CLEAN
		3. SWALLOW (YES, IT'S SAFE) AND GO!

HOW LONG DOES IT LAST?

LISTERINE® READY! TABS™ have been scientifically proven to freshen breath up to 4 hours.

YOU'RE SURE I CAN SWALLOW IT?

Yes! LISTERINE® READY! TABS™ were designed to be swallowed and get to those hard-to-reach places, like the back of your tongue where millions of bad breath germs live.

The ultimate
fresh breath
experience.

FRESH BREATH IN A FLASH

SWISH optimizes the pH level in your mouth for a just-brushed clean feeling that lasts. Sugar-free, 100% xylitol-sweetened, natural flavors, no artificial colors, gluten-free, vegan- and keto-friendly

WE'RE HERE TO SHAKE UP YOUR FRESH BREATH ROUTINE

Gum and mints only temporarily hide the problem and contain artificial ingredients. We want a solution that's healthy, tastes amazing, and works.

SWISH is a quick-dissolving, sugar-free formula that eliminates bad breath at the source by neutralizing odor-causing bacteria. No toxic sweeteners, harsh chemicals or junk ingredients.

Get on-the-go mouthwash freshness without the hassle! Just pour, swish and you're good to go.

SWISH is the quickest, most convenient way to get fresh breath in a flash.

Each 1.5 gram serving (about ¼ tsp) optimizes the pH level in your mouth for a just-brushed clean-feeling that lasts.

Here's how to use it:

1. Pour the powder onto your tongue. Its energizing foaming action starts working fast.
2. Vigorously swish for 10 seconds or more then swallow - no water, toothbrush or floss needed.
3. That's it! Use three times daily to keep your breath fresh all day long.
